REMARKS**I. INTRODUCTION**

The abstract has been amended. No new matter has been added. Thus, claims 19-33 remain pending in the present application. In view of the above amendment and the following remarks, it is respectfully submitted that all of the pending claims are allowable.

II. THE MPEP §608.01 (b) OBJECTION TO THE ABSTRACT SHOULD BE WITHDRAWN

The Examiner objected to the abstract because it exceeded 150 words. (Office Action 4/27/06 Office Action, p.2, ¶.2). Applicants have amended the abstract, and as such it is respectfully requested that the objection be withdrawn.

III. THE DOUBLE PATENTING REJECTION SHOULD BE WITHDRAWN

The Examiner rejected each of the pending claims under the judicially created doctrine of double patenting. The applicants, through their attorneys, have filed a terminal disclaimer disclaiming any patent term beyond that of U.S. Patent 6,678,885. Accordingly, based on the terminal disclaimer, the applicants respectfully request the Examiner to withdraw the double patenting rejection.

CONCLUSION

It is therefore respectfully submitted that all of the presently pending claims are allowable. All issues raised by the Examiner having been addressed, an early and favorable action on the merits is earnestly solicited.

Respectfully submitted,

Dated: July 19, 2006
